

# Raritan Valley Chinese School

## 瑞谷中文學校

## CHINESE SAT CLASS NOW OPEN TO PUBLIC

In Chinese SAT class, students will prepare for the Chinese with Listening SAT Subject Test. This test is a great way to demonstrate knowledge of written and spoken Mandarin and can be useful for college admissions or placement (check each college's policy regarding foreign language Subject Tests). We will practice Listening comprehension, Usage/Grammar and Reading comprehension and the course difficulty will be adjusted based on the students' performance and improvement.

This class (20 sessions) will be held on 11:30 AM to 12:30 PM starting from 09/22/2019. If you are interested for our CHINESE SAT Class, please contact Vice Principal *Peter Jen* - [vp@njrvcs.org](mailto:vp@njrvcs.org) (732) 200-2857 or visit our school website <http://njrvcs.org/> for more information.

### Who are we?

Raritan Valley Chinese School was founded in 1982 starting with 30 students. Students learn the Mandarin language and have many opportunities to explore Chinese culture. RVCS is part of the Association of NJ Chinese Schools (ANJCS) and Chinese American Cultural Association (CACA) and is also affiliated with the Somerset County 4-H. Students are encouraged to participate in community, ANJCS, CACA and 4-H activities. Many of our parents volunteer to coordinate cultural programs, celebrations and other school functions.

### Our Mission

The mission of our school is to facilitate appreciation and learning of Chinese language, culture, history, arts and tradition. We do so in a way that promotes multi-cultural awareness and engagement with our local community.

### School Location

Raritan Valley Community College (RVCC)  
Hunterdon Hall - Parking Lot 8, 9  
118 Lamington Rd, Branchburg, NJ
